

Moldova Mission Trip Packet 2026

Potential Team Members: Is God leading you to go? If so it's God's will, and it will be God's bill. He WILL provide if He WILLs you to go. Step out in faith, trust God with the results.

Potential Ministry

Home Visits: This is a staple of our ministry time when we have been to Moldova and will continue to be so. Know how to share the gospel. Get an evangcube from lifeway or amazon. Practice with a friend, practice with a pet. Practice in the mirror, practice on the street!

Construction: There are always construction needs for the churches and villages of Moldova. Projects that we can get done within a week's time are typical. The Moldovans are happy to provide assistance to help complete the project on time. *Depending on team make-up we will determine the level of construction possible.*

VBS: VBS will be dependent on about 4-6 key people. As the team size grows, more can be done. The VBS is a large focus of our ministry and the church we partner with also appreciates our service to the villages. Acting, Teaching, Music, Crafts, & Games are all a part of what we do with the kids and each team member may have a different role or multiple roles.

Medical Missions: – Depending on team make-up, we will host a medical clinic for one or more churches, partnering with local doctors and pharmacists doing triage (BP, Glucose, Vitals, etc.)

Teen Night: The teens love this element of our missions while in Moldova. We will adjust to produce one or more quality teen worship nights. Potential for speaking in multiple villages to teens depending on team make up. Travel without parents needs parental consent affidavit signed by both parents for all points of entry.

Pastoral Vision: Pastors who accompany the team, will have an opportunity to preach in a nearby church along with a translator, as well as tour potential ministry sites for future visits and partnership opportunities.

Dates: Last Week of July 2026 We are planning on our trip lasting approximately 10 days, to give us more time for additional ministry & rest options. Arrangements can be made to pick you up at airport in Chisinau if different arrival/departure date (once confirmed) are needed. Itineraries can be sent to match & meet up).
